Restorative – Karla Brodie

Restorative yoga is a deeply nourishing approach to yoga practice that supports easeful breathing, good digestion and a settled nervous system. A powerful antidote to stress, anxiety and fatigue, it also supports a good night's sleep.

Yin-Restorative-Nidra
Sandra Palmer

This class provides time, space, and the support of props and gentle movement to ease into supported yin and restorative postures, ensuring integration of the body in all shapes. The class completes with a healing yoga nidra.

Yin – Karin Michelle Sang

A meditative and profoundly relaxing practice, nourishing the deeper tissues of our body, while relieving tension, stress and relaxing the nervous system.

The passive poses enhance the flow of energy through the body to create a profound sense of calmness, focus and equanimity.
